

Post-Secondary Services from High School

What are my post-secondary options after I leave high school?

Program	Contact Information	Ages	Description
ARCH Howard Program	802-488-6500 or 802-488-6000	Children to age 22	Support families who have a child who has intellectual, autism, or emotional behavioral disorder.
Avenue 7 Howard Program	Meredith Clough, mclough@howardcenter.org	18-28	Avenue 7 offers transitional housing for 18-28 year olds with an intellectual disability or autism, and who receive Home and Community Based Services. The supportive residential community helps individuals gain the skills they need to live independently. An on-site residential advisor provides support when needed. The program is a partnership with the Burlington Housing Authority, and each person living at Avenue 7 leases their individual residence with the support of a Section 8 housing voucher.
Champlain Community Services	(802) 655-0511	School age to young adult	Assist school-aged youth with disabilities to step confidently into their adult years by introducing them to meaningful community opportunities, exploring topics connected to healthy adult living and building

			<p>healthy relationships.</p> <p>Bridging Program School2Work Program Way2Work Program</p>
<p>Global Campuses</p>	<p>Global Campuses Foundation</p> <p>82 Blair Park Rd., P.O. Box 732</p> <p>Williston, VT 05495 TEL: (802) 272-1396</p>		<p>The Global Campus Experience is realized by adults with differing abilities through participation as teaching faculty, student learners, and administrative staff. Participants create and manage their campus environments and educational programs.</p>
<p>JOBS Howard Program</p>	<p>802-488-7270 or 802-488-6000</p>	<p>16-21</p>	<p>Comprehensive case management & employment support to adolescents/young adults with mental health challenges.</p>
<p>PROJECT HIRE Howard Center</p>	<p>(802) 488-6000 or (802) 488-6555</p>		<p>Project HIRE provides career development and employment support and assistance to individuals with developmental disabilities.</p> <p>The program helps adults find meaningful,</p>

			<p>competitively-paid employment. The specific supports and services offered are individualized for each person, based on their interests and employment goals. Typically, these include employment skill and interest assessments, work experiences, internships, job search and development, on-the-job training assistance, and on-going support to job seekers and their employers.</p>
<p>Succeed Program Howard Program</p>	<p>Contact Mark Prior, Senior Manager SUCCEED: mprior@howardcenter.org 802-488-6580</p>	<p>College Age</p>	<p>SUCCEED is a post-secondary education program for students with intellectual disabilities or autism. It is offered by Howard Center in collaboration with area colleges. SUCCEED students participate in a college experience that prepares them for a future of success, creativity, and contribution to their community. While enrolled in the program, students receive support from SUCCEED staff and feedback from their peers, professors, employers, and organizations. When students graduate, they have the skills they need to</p> <ul style="list-style-type: none"> ● live in their own apartment ● develop meaningful friendships ● obtain fulfilling employment

			<ul style="list-style-type: none"> • establish community connections
<u>Vocational Rehabilitation</u>	<u>cindy.seguin@vermont.gov</u>	High school students and adults	Voc Rehab offers free, flexible services to any Vermonter dealing with a disability that affects employment. We partner with human service providers and employers across Vermont to help people with disabilities realize their full potential. Click <u>here for information for High School Students</u> .
